This is your opportunity to find out. We personally invite you to visit our cigar manufacturing facilities and broaden your knowledge and appreciation for premium hand rolled cigars.

See for yourself.

YOUR CIGAR JOURNEY BEGINS

Your flight will arrive in Comayagua, Honduras, where you'll clear customs and be greeted by a member of our tour staff. From there, you'll jump onto our cigar friendly tour bus for the drive to El Paraíso, but don't fret - we always have a variety of fresh cigars, cold beer, and chilled water at the ready!

DAY 1

Following your arrival at Rocky's house, you'll enjoy a poolside reception featuring an authentic homecooked dinner, the first of many meals prepared by our in-house chef. You'll have the evening to unwind from your travels while enjoying Flor de Cana rum and a variety of fine RP cigars. The night is yours.

DAY 2

After a hearty breakfast, your tour bus will depart at 8am and take you on an expedition to the tobacco fields, where you'll have the chance to walk through the soft soil and feel the gummy-textured tobacco leaves. You'll then move on to the nurseries, where the process all begins with the nurturing of tiny seedlings that you'll be able to cup in your hand. From there, it's off to the box factory to witness the handmade creation of every single cigar box.

DAY 3

After breakfast, you will have the opportunity to learn the meticulous task of sorting tobacco. Then you will witness the curing and fermentation process. Finally, a trip to our factory, where you can experience the strict quality standards that make up the consistent quality of our cigars. You will also have the opportunity to blend your own cigars and have your blend rolled for you by our experienced tobacconists.

DAY 4

After breakfast, depart for the airport.

You will be responsible for your own airfare and \$325 (per person). All other expenses: travel, meals, cigars, and beverages will be covered by the RP Family.
